

## **MRC Sportsman's Club** **2010 Newsletter & Schedule**

- Attached you will find a Schedule of Events for all shooting disciplines of MRC. Please read the schedule and make note of events in your areas of interest.
- 2009 was a busy and successful year with the shooting events. Many clubs experienced less shooters because of the economy. However, MRC continued to grow.
- The Junior Rifle Shooters and Indoor Pistol Shooters are shooting during the winter months, December through March, on Saturdays and Tuesdays respectively. In March/April, the Sporting Clays and Trap Seasons kick off.
- MRC is planning to sponsor four Sporting Clays events for fun and fund raising during the spring, summer, and fall of 2010. Sporting Clay courses will be open 4:00 PM on Wednesdays, May into September. Trap shooting begins on Tuesday nights at 6:30 PM in April. IHMSA Pistol events are also scheduled for the summer months.
- Last September was the third fall we successfully promoted a 5 Stand in front of the club house. We also added a 300 bird fun shoot in early September, "Bruce Jari Fall Fun Shoot", which was also a success.
- Yearly memberships at MRC will remain at \$50.00 and all shooting fees will remain the same as 2009 fees. We will again offer a corporate/group ten-round and a five-round pass for Sporting Clays, which is available to any shooter and is a savings in fees.
- Our Annual Meeting had been scheduled for the third Tuesday in August, which is August 17<sup>th</sup> at 8:00 PM at the club house. However, dues for 2010 will remain on the same yearly schedule, due in January 2010. Please mail your dues to: MRC Sportsman's Club, P.O. Box 414, Medford, WI 54451.
- Last year we had over-whelming support from our members and others to help make our shoots a great success. We will need additional club member volunteers to assist us on March 27 and April 17. Please mark your calendars now.
- We are looking forward to another safe and successful shooting season. Your participation is greatly appreciated.

- Good luck shooting and we look forward to shooting together for the common good of promoting and enjoying the shooting sports in a safe manner at MRC.
- Mark your calendars to attend the Annual Meeting August 17<sup>th</sup>, 8:00 PM at MRC Club House.
