## **2012 Newsletter & Schedule**

- 2011 was another successful year for MRC, thanks to the great support and participation of our members and visiting shooters. You are the life blood of MRC.
- Attached you will find a Schedule of Events for all shooting disciplines of MRC. Please read the schedule and make note of events in your area of interest.
- The Junior Rifle shooters and Indoor Pistol shooters are shooting during the winter months, December through March, on Saturdays and Tuesdays respectively. In April, the Sporting Clays and Trap seasons kick off.
- MRC is planning to sponsor four Sporting Clays events for fun and fund raising during the spring, summer, and fall of 2012. Sporting Clay's courses will be open 4:00 PM on Wednesdays, May into September. Trap shooting begins on Tuesday nights at 6:30 PM in April. We will also continue to run our popular 5-Stand in September and into October.
- Yearly memberships at MRC will remain at \$50.00 and all shooting fees will remain the same as 2011 fees. We will again offer a corporate/group ten-round and a five-round pass for Sporting Clays, which is available to any shooter and is a savings in fees.
- Our Annual Meeting has been scheduled for the third Tuesday in August, which is August 21<sup>st</sup> at 8:00 PM at the club house. However dues for 2012 will remain on the same yearly schedule, due in January 2012. Please mail your dues to: MRC Sportsman's Club, P.O. Box 414, Medford, WI 54451.
- Last year we had over-whelming support from our members and others to help make our shoots a great success. We will need additional club member volunteers to assist us in April in preparation for our first two shoots of the year.
- We are looking forward to another safe and successful shooting season. Your participation is greatly appreciated. Good luck shooting and we look forward to shooting together for the common good of promoting and enjoying the shooting sports in a safe manner at MRC.
- Mark your calendars to attend the Annual Meeting August 21<sup>st</sup>, 8:00 PM at MRC club house.
